
Executive Committee Meeting Minutes

November 25, 2025, 10:30am in the Airport conference room

Quorum met with Danny Exum, Jack Locke and Tommy Leuenberger in attendance

1. Call to Order- Chairman Locke called meeting to order at 10:18am
2. Meeting called to review a change order number for the work being done at the north hangar complex. A copy of the change order is attached. Members in attendance agreed that the chairman should sign and get the document back to AVCON as soon as possible. A representative from FDOT, AVCON and the contractor had already signed the change order. The Authority was the last required signature.
3. There being no other business, the meeting was adjourned at 10:20 am.

These minutes were compiled by Airport Administrator Brenda Wilson on behalf of the Executive Committee, and when subsequently approved by the Board of Directors and signed by the Secretary, shall constitute a true record to be included with the official legal records.
